EXPERIENCE

Cannon Safety & Security Training, Murfreesboro, TN — Owner/Instructor

March 2024- Present

Provide training and educational services to both professionals and citizens in personal and institutional safety. Create and administer training programs in accordance with state law for the licensing of security professionals.

Crimson Security Service, Smyrna, TN — Training Development Manager

October 2019 - February 2024

Began as a line officer before becoming shift supervisor, operations coordinator, and finally training manager for the company. Managed, trained, and staffed between 30-50 employees for both special events and regular duty stations across multiple client sites in the mid-state.

Smyrna Police Department, Smyrna, TN — Telecommunicator I

January 2006 - June 2018

Answer, triage, and dispatch response to calls for service for police, fire, ems, and utilities including emergency & non-emergency requests. Maintain warrants, call data, and other pertinent records. Supply logistical and informational support to responders in the field. Provide pre-arrival instructions and gather vital information.

EDUCATION
